1. I understand that there are 8 class dates in the semester. Classes cannot be cancelled, and I agree to be at each one. I acknowledge the importance of being a team player of "Our Home School Family". I will show that support by being in the Sanctuary each class day by 1:00 for Opening Prayer and the Announcements of that particular day's needs.

2. If I should find myself unable to be at a class meeting, I will locate my own replacement for each hour I am scheduled, including my cleaning responsibility, as well as inform my helpers & the appropriate steering committee coordinator of my impending absence. I will personally make sure that the teacher/helper has the needed materials in time for classes. I also understand that substitutes must be participating members of NWACHEA of Rogers.

3. As a teacher/leader/substitute teacher, I understand that I am required in the NWACHEA By-Laws to sign the Statement of Faith.

4. I understand that for the safety of all, each class is required to have 2 adults present at all times. As a helper, I will actively seek to assist, not merely be an observer. For instance, taking attendance is an opportunity to establish relationship with the students, as well as allowing the teacher time to set up.

Initials
5. I will remain in the building for all 3 hours and be available in case I need to be located quickly (for assistance or in case of an emergency).
- \_\_\_\_\_  
Initials
6. I will not bring visitors and non-participating children to class meetings.
- \_\_\_\_\_

7. To ensure their safety, I understand that babies & small children are to remain in their designated rooms during all 3 hours.
- \_\_\_\_\_  
Initials
8. I understand that EVERYONE IS REQUIRED to HELP WITH CLEAN-UP and that this means I will need to stay an extra 5-10 minutes after classes are dismissed to fulfill my cleaning responsibility. I understand that Rogers Christian Church has graciously allowed us to use these facilities free of charge, and I will cooperate with others to make sure our group is a blessing, not a burden.
- \_\_\_\_\_  
Initials
9. I will inform the Steering Committee when my contact information changes (i.e. home address, telephone number, email address).
- \_\_\_\_\_  
Initials
10. I understand that there are often families who must be turned away due to space limitations, and they would gladly participate in my place. Before signing, I have prayerfully considered this agreement, and I am willing to commit to these terms.

I have read and agree to the above terms. \_\_\_\_\_
